

June 3rd, 2012 CROP-Cultural Program (Print both pages, submit Page 2 along with fee)

This year's Finale is going to be different. Only those kids that want to perform on the stage will get the opportunity. We invite parents to get together with a few of the CROP children and come up with an item that shows team work, creativity, talent and an inspiring theme about religion, culture, spirituality, environmental awareness or Bhaarat (India).

Please remember this event is run by volunteers for the benefits of the CROP children. Volunteers will include you and all of us. Let us all be friendly, courteous and fair to each other. These guidelines will be helpful to all.

- We accept **only group performances** and the **performers have to be CROP children only. Each child can participate only in one program.**
- By committing to perform on June 3rd, please note that you will be expected to be available for the audition on March 25th from 1:15 -3: 15pm (after CROP class), Saturday June 2nd for Rehearsal from 10:00 -1:00pm and Sunday June 3rd from 10:00 -1:30pm. This schedule will be followed by all participants, no exceptions please.

- If your program has not been selected please do not take it personally. Due to the time limit we will have to choose. We are looking for presentation, costumes, coordination, enthusiasm and theme in the performances. Adhere to the time limit, otherwise the item is disqualified.
